

4th Day Annual Report

The year of September 2019 - September 2020 began with the Send Off for 128th Women's Cursillo weekend, November 17, 2019 at 3pm, held at CCBC. The Eucharist was celebrated and Commissioning of the team was completed. Refreshments were shared with the community sponsored by the Parish and outside contributions.

The Welcome Back was held at CCBC on Sunday, March 1, 2020 at 3pm with a wonderful compliment of the new candidates. The Eucharistic service was conducted by the Rev. Ryan Boivin and Rev. Ann Quick with Colleen Mayo-Pankhurst, the Lay Rector for the weekend giving the 4th day talk. The purpose of Floating Group Reunions was explained by Marni Crossley, following through with the community experiencing Group Reunions for the first time. There was great laughter and joy as they shared experiences since their weekend. The service closed with the announcements and closing prayers.

Little did we think that we would come to a full stop, when on March 13, 2020, we would be in full isolation due to the Coronavirus that developed across the country. As a result there have had no Ultreya events for the remainder of the year. Pray God we will be able to be together in the near future!

Respectfully submitted,

Marni Crossley
