

Communications Coordinator Report - AGM 2020

This is my first year as Communications Coordinator, and I am enjoying this new position and working with the other members of Secretariat. My predecessor Nicole Cayer was an immense help in getting me off to a good start and still supports me when I need her.

Accomplishments for 2019/2020:

1. OACM website

Updated as required, including:

- Posting of a video by Derek Reid of a Summer Ultreya at Andrew Hayden Park
- Dates for weekends, Welcome Back Ultreyas, Summer Ultreyas and regular Ultreyas
- Updates to Secretariat positions

I notice that the Resource Section is in need of contributions from the community in order to be helpful. If you notice anything that doesn't look right or needs updating please don't hesitate to email me @ communications@oacm.ca

2. Database maintenance as required, including:

- Updating email addresses for re-direction of OACM Secretariat email addresses.
- Adding new registrations for emailing of the Rainbow and Direct Communication.

If your email address changes, please don't hesitate to let me know @ communications@oacm.ca

3. The Rainbow Newsletter, issues:

- Winter 2019
- Easter 2020
- Summer 2020
- Autumn 2020

This is your Newsletter and articles are most welcome from the Community.

4. Direct Communication

- Notification of postponement of Welcome Back due to inclement weather.

This method of notification is used for important and timely announcements.

5. Maintenance of Facebook presence; OACM page and OACM Group

- Posting remaining open prayer time slots for Women's weekend after the Send Off
- Posting events for the Welcome Back and regular Ultreyas

- Posting of the team and candidate lists on OACM Group for Women's weekend

It's nice to see a large community presence on Facebook with members contributing regularly.

6. Synod 2019 – a poster was created for distribution at Synod

7. Diocesan

- Requested an update to the Diocesan webpage (About Us / Lifelong Information / Cursillo)
- Posting of Weekends and Ultreyas in Crosstalk Calendar and the Diocesan Web calendar
