

Hello everyone!

This is just a short paragraph to outline Musica's involvement in Cursillo events from the last AGM to the COVID-19 lockdown in March 2020. Musica assisted, with great enjoyment, with music for the Ultreya on 27 September 2019, and the Day of Deeper Understanding on 28 September 2019. Unfortunately, during the winter, we had cancellations due to inclement weather. On 1 March 2020, we assisted with the music for the Welcome Back for the Women's 128th Week End, again with great enjoyment.

Soon after that, the COVID-19 Lockdown happened, and all choral singing ceased, with much unhappiness! It is with regret that I give up my position on the Secretariat, but I know that Tabea Silverthorne will be an excellent addition to Secretariat, and I look forward to helping her transition in any way I can.

God Bless!
