

# Post Cursillo Co-ordination Report

It was my privilege to assist Gloria Wilson in the summer of 2019 with the post Cursillo Coordination position and as her term came to a close, I have been enjoying being part of the Cursillo Secretariat for the Diocese of Ottawa. During 2020 of the Pandemic, our Movement was very quiet, but in 2021, it was decided that we would attempt a virtual Ultreya format in January. This worked so well the first time that we continued in March, May and July with an attendance of approximately 60 Cursillistas in attendance. Our AGM/Ultreya will also be presented by a Virtual platform on September 28, 2021. Our Summer Ultreyas at Andy Hayden park had to be cancelled due to Diocesan protocol during the year! Hopefully we will be able to be together again in 2022.

Respectfully submitted,  
Marni Crossley, Post Cursillo Coordinator
