

# Post Cursillo Co-ordination Report 2022

It has been a privilege to continue in my role as Post Cursillo Coordinator for the year of 2021-2022. During the year we provided 4 Virtual Ultreyas and 4 in person Ultreyas, which were so much appreciated as folks had not been together for the past 2 years! The Diocesan pandemic protocol was honoured in all services. The willingness of Clergy and Lay People to be involved with the Ultreyas was very much appreciated and each 4th day talk was enjoyed by those in attendance!

One of our roles that Secretariat has been trying to do is update our membership list. If Parishes could assist us by confirming numbers of active Cursillistas, we will be contacting each Parish with in the next year. The role of the Parish Rep is an essential position that is required to keep the membership engaged in the Servant Involvement within the Parish and Community. We will be continuing in a Hybrid Model with Virtual Ultreyas during the winter months and in person Ultreya during the warmer weather!

We look forward to the Women's Weekend, to be held at the Galilee Conference Centre in Arnprior, November 4-6, 2022, from Friday to Sunday!! The Send Off will take place at the Parish of Huntley, Carp October 30, 2022.

Respectfully submitted,  
Marni Crossley, Post Cursillo Coordinator.
