

WEEKEND COORDINATOR'S REPORT, September 2022 AGM

Yes, No, Don't know, Zero.

Those were last years answers to the questions I figured were on everyone's mind. The answers this year are...

Will there be more weekends? Yes (God willing).

Do we know when? The 129th Women's Weekend will be held Nov 6th – 8th. The Men's Weekend is planned for the Spring of 2023.

Where will the next weekends be held? The Women's Weekend will be held at the Galilee Center in Arnprior.

How many weekends have been held in 2020 and 2021? Zero but there will be one in 2022 and likely two in 2023.

The term "new normal" is everywhere. It speaks of change and new ways of doing things. We too are living it within the Cursillo community; perhaps most visibly, at least within my mandate, in where we hold our weekends. Galilee Center will be different; however it's in a beautiful location and focused on Christian development.

As I wrote in the recent Rainbow, now is the time for action. It is...

- Time to approach that friend you've been praying for.
- Time to find out how to sponsor someone (see <https://oacm.ca/wp/sponsorship/>).
- Time to check whether this weekend is right for your friend.
- Time to say "yes" when asked to volunteer.

Respectfully submitted,

John Chapman

Weekend coordinator, OACM
