

Assistant Lay Director
AGM Report

It has been a busy year as my first year on Secretariat. I spent a fair amount of time learning about Secretariat and the role of Assistant Lay Director as well as the role of Lay Director as I will be undertaking that role starting in October.

As Assistant Lay Director I wrote an article for the Crosstalk about Cursillo and what to expect on a weekend and after a weekend.

I also participated in the Re-imagining Cursillo for the 21st Century day. What a wonderful day it was, with lots of participation from the community. Out of that day were clear themes that we will start to address this fall and into 2024.

I want to thank Wayne for his leadership as the Lay Director. It was Wayne's leadership and strength in strategic planning that led to having the Re-imagining day which has given us concrete plans for the next year.

I look forward to working with the new secretariat and with the community as we move forward with our action plans.
