

Gift of Love Definition 2024 OACM Annual General Meeting

Presented by Kathy Gibb

The Sponsorship Committee (Kathy Gibb, Harry Bender, Renée Larocque and Bonnie McNally) recommend the following definition to be added to the OACM Handbook.

There is not a current definition for the Gift of Love in the OACM Handbook.

Recommendation:

Add “Gift of Love” Term to Appendix A – Glossary of Terms:

All Weekends are prepaid under the “Gift of Love” program. Each Weekend is a “gift” to the Weekend Participants from the Cursillo Community. At the end of a Weekend, Candidates and Team Members are encouraged to make a contribution to “pay forward” this Gift of Love so that others may attend future Weekends. Cursillistas may make donations to this program at any time. Tax receipts are issued for all Gift of Love donations.

Motion – to add the definition of a Gift of Love Donation to the OACM Handbook.
